All forms postmarked on or before the opening dates (Including Board Members) will receive equal consideration for placement in the class. If more students register than there are seats available, a lottery drawing of all the forms received by the above dates will occur. After these dates we will continue to fill the roster in the order that forms are received.

**New this year!!**

**For Members only:** To alleviate the "pain" of tuition, you may post date your checks (see above). No deposits will be made before those dates.

If you need any further assistance with tuition payment contact your Workshop Co-Chairs:
