

Coming in September... "SHOW & SHARE"

As in past years, the September meeting of the Colleagues of Calligraphy will feature presentations given by our own members, showing and sharing recent personal and workshop/classroom work. This past year and summer have been active with a relatively large number of workshops, classes and conferences/retreats with which a good number of our Colleagues have been involved and able to attend.

Because of this, there will be a variety of items to be shown and shared this year!

The number of presenters is still being finalized, but you can expect the following persons and topics to be included on **September 17, 2011, at 12:30 PM** at the Plymouth Congregational Church:

- 👉 JoAnn Almich—Examples and experiences from Harvest's workshop and Laurie Doctor's class at the Midwest Calligraphy Retreat.
- 👉 Gary Berosik—Denis Brown workshop work; Harvest workshop example.
- 👉 Gloria Cooper—Recent classroom experiences and work.
- 👉 Karen Eighmy—Book examples from summer workshops and classes.
- 👉 Gary Feyen—Examples from Harvest Crittenden's workshop.
- 👉 Jean Formo—Recent book creation experiences and work.
- 👉 Joyce Francis—Continuing and evolving Zentangle, calligraphic and artwork.

Plus a Pre-Meeting Class, "ITALIC 101 & BEYOND"

- 👉 Barbara Mosman—Cards developed over the summer.
- 👉 Thelma Olds—Denis Brown workshop work from the Midwest Calligraphy Retreat.
- 👉 Lynn Olhorst—Denis Brown workshop work.

"Italic 101 and Beyond" (Preceding the September Meeting)

We are excited to offer a continuing education class for members who have completed a beginning class in the Italic alphabet. This additional instruction will offer a quick tune up, tips and techniques that take you beyond the basics—allowing you to put your new-found artistic skills to use.

Class will be **Saturday, September 17, from 9:30 – 11:30 AM**, preceding the regularly scheduled Colleagues' meeting at Plymouth Church. A \$5 fee will be collected. For questions or to reserve your spot contact the instructor, Ardie Gallant: Ardie@grantedpeace.com.

A quick review of the basics of the italic alphabet will be followed by the opportunity to ask questions about specific italic problems you are having. As time permits, we will lightly cover basic design (what do I do with my new calligraphic skill?) and adding color. Ardie will also poll those signed up ahead of time to see if there are other topics that might fit into our time together.

Remember to sign up ahead of time!
