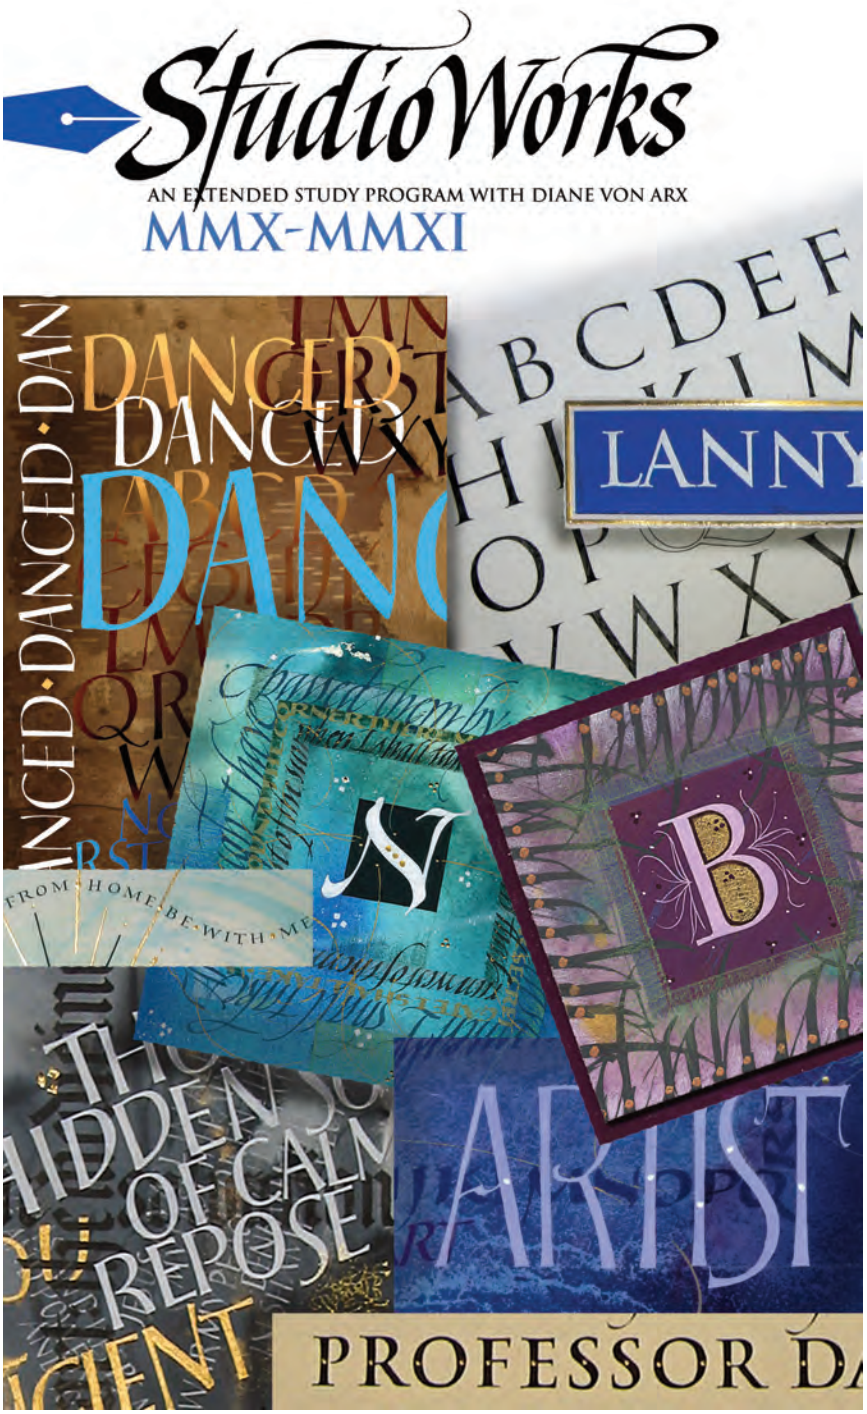
ROMANS

WHEN CAN WE TAKE THEM DANCING?



THERE WILL BE a Series of 6 classes on the second Saturdays this Fall and next Spring. The first class is on September 11, 2010. Sessions run from 9am-4pm. The focus will be on Romans and the samples at the left will give you some idea of the variety of ways we will take them dancing... after we are anchored in their traditional shapes and proportions.

There will be a limit of 10 students so indivdual help and guidance will be available to each participant. Sessions will include critique, lecture-demo and work time. A $75 deposit will hold your place in class. The total tuition will be based on the number of students. Please send deposit, name, address and email to: **Diane von Arx, 3340 Bryant Ave. South, Minneapolis, MN 55408.** Any inquiries can be directed to Diane at <lettering@dianevonarx.com>.
